Greetings Neighbors!

Please help me market and fill a home within our neighborhood- Percy Stith, from the Grounds Coffeehouse, is parting with a great home on Holderness St. The home is 3bedrm/2bth with spacious common areas (Kitchen, separate Dining room and Livingroom). 4 marble fireplaces, Stainless Steel appliances, Double vanity and Jetted tub in the Master Bath. Come by Sunday and view the renovations-the home will be open from 2-4PM,or if you are looking to buy, view any day :)

Thanks for your help, and like 634 Holderness - I am expecting this one to go quickly to good residents.
