Greetings Neighbors!

I hope this finds you all well. It's that time again! :))

I look forward to seeing you all, as well as any new neighbors you will bring to our meeting tomorrow (September 9th at 7PM. 1191 Donnelly Ave 30310, Salvation Army Boys & Girls Club behind Krogers).

I'm sure you've been out recruiting, because I know this is the way of the informed connected community I live in.

Attached is the Sept. Agenda for tomorrow, Bylaws, and two Ordinances. I do have the bylaws in a Word doc format if you can not open a PDF file. (Thank you Scott)

Print, review and bring them with you. There will be limited copies available, mostly for seniors and those without a computer.

We have much to discuss. Many neighborhood and city updates, and we vote on Bylaws. Be prepared to start and end on time.

Tuesday, September 15th is BeltLine Night at the Braves Game versus the Mets at Turner Field. Thanks to the generosity of Turner Broadcasting, I will have tickets to give out. Woo-hoo!!! Yes- each of you will obtain a ticket and I will give many to NPUT associations to distribute within their communities.

On another note....

Neighbors, these past few weeks have been very hard. As we work to ensure our Bylaws are up to date, restructure our committees and prepare for Mayoral forums- we had a tragedy. Many of you have heard of the heart breaking death of one of our Spelman students.

The news had left me speechless, and frankly....feeling a bit defeated. However, I was encouraged and reminded by Graham Jackson- "This is a call for ACTION"...

Please work and pray with me (and our leadership team) as we work to redevelop and implement Public Safety plans. As we rebuild our Public Safety team within NPU-T, I am asking each of the neighborhoods to identify at least 1 representative to join this team. Please note, while I highly encourage you to be apart of the neighborhood association in which you reside, you do not have to belong to one in order to serve within NPU-T.

Community, be encouraged! Know that we are working to help deter and prevent crime. We NEED your support to make each of our neighborhoods safer. Attend our meetings, provide positive input and most importantly, serve within our communities!

See you tomorrow :) and invite a friend to come out and get their Braves tickets!
