
COQUITO-Puerto Rican Holiday Drink for Sale

Posted by Yomara - 2009/12/23 00:54

Hey!

We have a couple of jars of COQUITO available for sale.

Coquito is a creamy rum and coconut based holiday drink (no eggs), traditionally served in Puerto Rico during the holiday season.

We have 32oz jars for \$15/each.

It's very delicious!!!

Let us know if you'd like a jar!
