Believe it or not it is time to think about nexts year's tour. Next year we want to do a tour, a concert and a festival to celebrate May Day.

I need your ideas. Here is one of mine.

I would love to have a May Day Queen. Please post your idea, maybe it will be the one we use.

PS if we use your idea you must help implement it.

I suggest removed the condition of requiring someone to help just because they suggest an idea. We don't want anything to hold people back from making good ideas.

I'd like to help, but I'm trying to pace myself before I commit to something I can't completely do. Any suggestions? I'll take a look at your volunteer list.  
Maybe I can help on the committee working with the homes on tour? I'll see..

Well we are up and running. We think we will have the website up by the end of the week.

Tickets will be discounted for WEND members, stay tuned for that. We have our artist Maria Howell. Here is her bio:

### Maria Howell Bio

Maria Howell is best known for her signature film performance as the choir soloist in the movie "The Color Purple." As an actress, she has also worked on TV with George Lucas (Young Indiana Jones' Chronicles), and Tyler Perry ("Daddy's Little Girls" and "Meet the Browns"). She has appeared in the Lifetime movie, "Living Proof", starring Harry Connick, Jr., and Lifetime's hit TV series, "Army Wives". As a singer, Maria has wowed audiences as the opening act for the legendary Ray Charles, and shared the stage with Earth Wind & Fire's point man, Phillip Bailey. She has also performed in front of the likes of Nancy Wilson, Will Downing, and George Benson. Howell's music is a collective of sultry, soul... and smooth. She combines sounds such as R&B with jazzy punctuations, sprinkled with tinges of gospel/soul. She performs regularly at Sambuca Jazz Café in Atlanta.

Danielle,  
How am I to recruit for next year when you put the word "pain" with the word "Tour".

Everyone, what Danielle meant was, what a pain it would have been if her house was not on the tour this year. LOL

## News Flash for tour of homes 2010

Posted by cubana - 2009/06/15 21:45

---

John Pavlin has decided to take over as chair of the tour of homes for 2010. Apparently, he thinks a man can do the job better than a woman.

The only thing I have to say to that is, the 2010 tour of homes will be held in 2012. :ohmy:

But seriously, it is time to start thinking about our next tour of homes. We would like to have separate chairs for each event.

The events are:

Concert

Tour

festival. Yes we are going to try to have a festival next year with CVC. We are going to need to id grants and write them so please if you have any skills in that area, contact me.

We had our second tour of homes and festival meeting yesterday. We have really good ideas like a porch nite and a dog parade.

We still need volunteers to head the following committee:

1) Finance committee - this person will send out invoices to sponsors, make sure the amount is collected and oversee expenses.

We need volunteers for all committees

1) Volunteer committee. These people on this committee will set up the concert, sit in homes during tour, collect money at booths, work the festival and parade. To be a part of this committee email Jeriynl@bellsouth.net

2) Entertainment committee These people will select the entertainment for concert and festival To be a part of this committee email rlthomp2002@yahoo.com

3) Sponsorship committee these people will call on business entities to donate money to tour email Vkhenry@bellsouth.net to be on this committee.

4) Grant writing. self explanatory.

I am absolutely sure I am missing a committee but tell me what you want to do and I will place you somewhere.

If you want to help in the planning process, you can do that as well or maybe you just want to suggest a company to solicit donations. Just let me know.
