## Beltline CLE for Lawyers October 16

Posted by West End Gardener - 2008/10/10 14:05

---

I just saw an ad in the Fulton Daily Report (legal paper for Fulton County) advertising a "Beltline Partnership Bus Tour and Happy Hour" from 4-6:30 on October 16. This is being put on by the Atlanta Bar Association's Environmental & Toxic Tort and Real Estate Sections, which made me think that if we have any West End resident lawyers who are interested in attending, they might be able to get some kind of additional information or insight on this particular tour that is specially geared towards the environmental and real estate aspects of the Beltline project, and then bring that information back to the rest of us.

Any lawyers out there interested in going? It's free if you're a member of either of those sections, only \$25 if not.

For more information go to [www.atlantabar.org](http://www.atlantabar.org)

Debbie,

Janise Miller might be interested but I know she is not signed up for the forum
